For all submissions, please follow the [PLOS Editorial and Publishing Policies](#).

Information to Include at Full Submission Stage

1. Corresponding authors should include the following statement in their cover letter:

Submitted as part of the *Synthetic Biology Collection*. FAO: PLOS Collections Team: collections@plos.org

2. In the Additional Information section of the submission form there is a section for Collections (see below). Corresponding authors should enter “Synthetic Biology Collection” in this field. This will ensure the manuscript is tracked through the system correctly.

Collections
If your submission is intended for a PLOS Collection, please enter the name of the collection here. Please also include the collection name in your cover letter.

If your submission is not intended for a PLOS Collection, please leave this section blank.
